Report of the President & CEO and the Chairman of the Board

7 17 Credit Union celebrated 62 years as a member-owned financial cooperative in 2019 by unveiling the latest technology, opening two new branches and offering Medicare insurance plan options to our members, all while continuing to maintain strong financials and growth.

In order to provide longer drive-thru hours and to provide members with a better, more convenient banking experience, 7 17 introduced new technology called Personal Teller Machines (PTMs).

Similar in appearance to an ATM, PTMs allow members to conduct even more transactions, 24/7. In drive-thru applications, rather than using a familiar drive-thru tube, members now interact with the PTM. A 7 17 Personal Teller can assist members with their transaction via two-way video or members can use the machine in self-service mode.

Just as 7 17 was the first financial institution in the area to introduce ATM technology in the late 70s, we are the first to introduce the PTM technology in the Mahoning Valley.

During 2019, PTMs were unveiled at our new state-of-the-art, full-service Warren and Canfield branches. The Canfield branch, at 4280 Boardman-Canfield Road, is our 13th location and fourth in Mahoning County. The credit union plans to add PTMs at additional branch drive-thrus throughout 2020.

The new branches were designed to be as technologically advanced as possible so that the credit union could continue to provide members the convenience and exceptional service they've come to expect from 7 17.

The new Warren branch is located on the same property as the previous branch, now known as the 7 17 Financial Center. Construction is underway on the Financial Center to expand the space for back-office operations, meeting rooms for appointments with 7 17 Retirement & Investment Group representatives and commercial loan professionals, and member safe deposit boxes.

Also last year, 7 17 introduced Member Medicare Solutions, which offers members Medicare plan options. As a community-minded financial institution, 7 17 wants to make sure we are doing all we can to help our members make wise financial decisions while navigating the difficult options surrounding Medicare.

7 17 exceeded previous milestones by growing assets to over \$1.1 billion in 2019. The year ended with a net worth ratio, a key measure of safety and strength, at 14.75%, more than double the 7% defined as "well-capitalized" under federal law.

7 17 membership grew by more than 4% to nearly 88,000 members. New and existing account holders deepened relationships with loans growing by more than 5% and deposits growing by nearly 9%.

While growth was strong among retail relationships, businesses also continued taking advantage of the credit union's business-friendly products and services. New free business checking account openings increased by 8% in 2019. Commercial loans soared by 21% to more than \$126 million.

The credit union spent 2019 working towards a greater diversification of our workforce through collaboration with Youngstown State University to offer internships while expanding training and development to ensure our position as a leading employer in the region. In 2019, we increased our workforce by 5% for a total of 309 employees to meet the changing demands of our industry, upskilled 100% of our member-facing workforce by introducing new technology; and, converted 50% of our YSU interns into full-time employees of 7 17's human resources, auditing and information systems departments.

7 17 Retirement & Investment Group, a partner that provides investment and retirement planning services, grew assets under management to nearly \$200 million.

Lastly, the credit union remained dedicated to community organizations. Over the course of 2019, in addition to numerous 7 17 corporate donations and community sponsorships, employees donated roughly \$60,000 and volunteered countless hours of their time to organizations like the American Heart Association, United Way, Relay for Life and the Salvation Army.

As the credit union reflects on the successes and growth of 2019, we remain dedicated to our members and providing them with a diverse line of financial solutions products. We are excited for the future and the continued growth and service opportunities that it brings.

Management's Responsibility for Financial Statements

The management of 7 17 Credit Union, Inc. is responsible for the preparation and integrity of the financial statements and all other financial information presented in this report. These financial statements have been prepared in accordance with accounting principles generally accepted in the United States, and include, where necessary, amounts that are based upon management's best estimates and judgments.

7 17 maintains a system of accounting and internal controls, including an internal auditing function, to provide reasonable assurance that assets are safeguarded and transactions are properly recorded. Established written policies and procedures serve as the basis for these controls. They are implemented by trained, skilled personnel with appropriate segregation of duties and are monitored through a comprehensive internal audit program. As needed, these policies and procedures are modified in response to changes in business conditions and recommendations by the independent accountants and the internal auditors.

Nearman, Maynard, Vallez, Certified Public Accountants, were retained as independent auditors to audit the 2019 financial statements of 7 17. The 2019 Audited Consolidated Financial Statements and Independent Auditor's Report thereon can be found for reference on our website at www.717cu.com/annualreport.

The Supervisory Audit Committee, a body consisting of volunteers from among the ranks of our membership, review the reliability of the auditing process on behalf of the interests of all 7 17 members. The Supervisory Audit Committee meets regularly with management, the internal auditors and the independent auditors to discuss internal controls and accounting, auditing and financial reporting matters.

Report of the Supervisory Audit Committee

The responsibility of the Supervisory Audit Committee is to help assure, for the benefit of the credit union and its members/owners, the safety of deposits, the soundness of management and fairness to all members.

In connection with its responsibilities, the committee met with management, the internal auditors and representatives of Nearman, Maynard, Vallez, the credit union's independent auditor, to review and discuss the adequacy of the credit union's internal controls and its financial reporting objectivity.

The committee discussed with Nearman, Maynard, Vallez the auditor's independence from the credit union and its management. These two groups also discussed matters required to be discussed by the Statement on Auditing Standards No. 114 (The Auditor's Communication With Those Charged With Governance) of the Auditing Standards Board of the American Institute of Certified Public Accountants.

Based upon these discussions and reviews, the Supervisory Audit Committee has recommended to the Board of Directors that summary financial data be included in this annual report, and that the 2019 Audited Consolidated Financial Statements and Independent Auditor's Report thereon be available for reference on our website at www.717cu.com/ annualreport.
