

Report of the President & CEO and the Chairman of the Board

For the last 63 years, 7 17 Credit Union has worked diligently to protect the financial well-being of our members. As individuals and families across the Valley faced a wide range of difficulties in 2020, 7 17 remained financially strong and ready to serve without interruption.

Over the course of 2020, we installed 26 Personal Teller Machines (PTMs) in the drive-thrus of eight of our branches and our first free-standing, Express PTM, in Weathersfield Township. This technology has allowed us to provide members a safe way to interact face-to-face with a Personal Service Representative via video during these unprecedented times.

Similar in appearance to an ATM, PTMs allow members to conduct almost any transaction that can be performed inside a branch from the convenience and safety of their vehicle 24/7. A Personal Service Representative can assist members with their transaction via two-way video or members can use the machine in self-service mode.

Just as 7 17 was the first financial institution in the area to introduce ATM technology in the late 1970s, we were the first to introduce the PTM technology in the Mahoning Valley. By the end of 2021, all of our branch locations with drive-thrus will have PTMs.

The credit union's digital technology was also pivotal in ensuring members had continual access to their accounts. 7 17's online banking, telephone banking and mobile banking app, which is the top-rated banking app in Northeast Ohio, offered members alternative options for accessing their accounts without jeopardizing their health and safety.

Despite the pandemic, 2020 was a year of strong growth for the credit union. Credit union membership grew by more than 7% to nearly 94,000 members as deposits grew 17%. 7 17's assets increased to \$1.26 billion. The year ended with a Net Worth ratio, a key measure of safety and strength, of 14%, double the 7% defined as "well-capitalized" under federal law.

In 2020, 7 17 saw record loan production of \$465 million with mortgage lending leading the way. Through the first half of 2019 – the most recent data available, 7 17 was the leading mortgage lender in Trumbull and Mahoning counties booking a total of 469 mortgage loans. The second and third top lenders closed 360 and 145 mortgage loans respectively.

While growth was strong among retail relationships, businesses also continued taking advantage of the credit union's business-friendly products and services. New free business checking account openings increased by 49%. Commercial lending remained strong with \$60 million in new loan production.

While many businesses faced layoffs over the course of the pandemic, 7 17 not only avoided layoffs or furloughs, but actually increased our workforce by 5% to 317 employees. In light of stronger societal focus on social injustice, we increased our existing effort to more fully focus on diversity, equity and inclusion, and introduced a Diversity, Equity and Inclusion Advisory Committee comprised of employees from every level of the organization. The committee is tasked with reviewing the organization's policies and practices through the lens of inclusivity.

The credit union remained dedicated to serving not only our members, but also our community. Over the course of 2020, employees donated more than \$50,000 and volunteered many hours of their time to organizations such as the American Heart Association, United Way, Relay for Life and more.

Lastly, as a community-minded financial institution, 7 17 is determined to help members and local communities navigate these challenging times. In an effort to provide much needed support, 7 17 made three \$10,000 donations to the Second Harvest Food Bank of Mahoning Valley, the Trumbull County United Way and Family and Community Services, Inc. The credit union also matched a \$10,000 grant from the Ohio Credit Union Foundation to provide \$20,000 to assist those financially affected by the pandemic with daily needs including utilities, food and more. We also helped address the challenges presented by the pandemic with free skip payments, loan modifications and fee waivers for our members.

As we embark on a new year, 7 17 Credit Union remains committed and securely positioned to assist our members in meeting their financial goals and to support the communities we serve.
