#### INDEPENDENT AUDITOR'S REPORT

### Report on the Audit of the Consolidated Financial Statements

#### Opinion

We have audited the accompanying consolidated financial statements of Seven Seventeen Credit Union, Inc., which comprise the statement of financial condition as of December 31, 2021 and 2020, and the related statements of income, changes in members' equity, comprehensive income, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Seven Seventeen Credit Union, Inc. as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Seven Seventeen Credit Union, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Seven Seventeen Credit Union, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

**Supervisory Committee** Seven Seventeen Credit Union, Inc.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibilities are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS we:

- \* Exercise professional judgement and maintain professional skepticism throughout the audit.
- ❖ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Seven Seventeen Credit Union, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Seven Seventeen Credit Union, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Loans receivable transferred to assets acquired in liquidation	\$	55,800	\$	71,188	

### **NOTE 1: SIGNIFICANT ACCOUNTING POLICIES**

### **Organization**

Seven Seventeen Credit Union, Inc. (the "Credit Union") is a cooperative association incorporated in the State of Ohio for the purposes of promoting thrift among, and creating a source of credit for its members. Participation in the Credit Union is limited to those individuals that qualify for membership. The field of membership is defined in the Credit Union's Charter and Bylaws.

The Credit Union's wholly-owned credit union service organization (CUSO) subsidiary, Sound Financial Services, Inc. is engaged in providing maintenance and security services.

### Principles of Consolidation

The consolidated financial statements ("financial statements") include the accounts of Seven Seventeen Credit Union, Inc. and its wholly owned CUSO subsidiary. All significant intercompany accounts and transactions have been eliminated.

### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States (U.S. GAAP) requires Management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Specifically, Management has made estimates based on assumptions for fair value of assets and liabilities and the assessment of other than temporary impairment on investments. Actual results could differ from these estimates. Material estimates that are particularly subject to change in the near term include the determination of the allowance for loan losses (ALL), valuation of securities, and the fair value of financial instruments.

#### **Basis of Presentation**

The Credit Union follows the accounting standards set by the Financial Accounting Standards Board (FASB). The FASB establishes U.S. GAAP, as detailed in the Accounting Standards Codification (ASC), that are followed to ensure consistent reporting of the financial condition, results of operations and cash flows of the Credit Union.

#### Cash and Cash Equivalents

For purposes of the statement of financial condition and the statement of cash flows, cash and cash equivalents includes cash on hand, amounts due from financial institutions, and highly liquid debt instruments classified as cash which were purchased with maturities of three months or less. Amounts due from financial institutions may, at times, exceed federally insured limits.

### Investments

The Credit Union's investments are classified and accounted for as follows:

Available-for-Sale: Investments are classified available-for-sale when Management anticipates that the securities could be sold in response to rate changes, prepayment risk, liquidity, availability of and the yield on alternative investments and other market and economic factors. These securities are reported at fair value. Unrealized gains and losses on securities available-for-sale are recognized as direct increases or decreases in members' equity and comprehensive income.

**Held-to-Maturity:** Investments which the Credit Union has the positive intent and ability to hold to maturity are reported at cost, adjusted for amortization of premiums and accretion of discounts which are recognized in interest income.

**Other Investments:** Investments in this category do not meet the definition of a debt or equity security under U.S. GAAP. Other investments may include certain cash equivalents that Management has elected to classify as investments.

Realized gains and losses on disposition, if any, are computed using the specific identification method. The amortization of premiums and the accretion of discounts are recognized over the term of the related investment by a method that approximates the interest method.

Management periodically performs analyses to test for impairment of various assets. A significant impairment analysis relates to the other than temporary declines in the value of securities. Management conducts periodic reviews and evaluations of the securities portfolio to determine if the value of any security has declined below its carrying value and whether such a decline is other than temporary. If such decline is deemed other than temporary, Management would adjust the amount of the security by writing it down to fair market value through a charge to current period operations.

### Federal Home Loan Bank (FHLB) Stock

The Credit Union, as a member of the FHLB of the FHLB of Cincinnati, is required to maintain a minimum stock investment with the FHLB based on a formula developed by the FHLB that considers the Credit Union's total assets and outstanding advances from the FHLB. FHLB stock is carried at cost, classified as a restricted security, and periodically evaluated for impairment. Because this stock is viewed as a long term investment, impairment is based on ultimate recovery of par value. Both cash and stock dividends are reported as income.

#### Visa Inc. Stock

As part of the restructuring of Visa, Inc., the Credit Union was issued shares of Class B Common Stock in Visa Inc. The shares represented by this issuance are fully paid and non-assessable. The Credit Union has a balance of 11,433 shares as of December 31, 2021. Currently, there is no readily available fair market value of the stock and therefore, the stock is not reflected in the Credit Union's financial statements. Once a readily available fair market value of the stock is available, the value of the stock will be reflected in the Credit Union's financial statements.

### Loans Held for Sale

Loans originated and intended for sale in the secondary market are carried at the lower of cost or fair value. Net unrealized losses are recognized in a valuation allowance by charges to income. All sales are made without recourse.

#### Loans Receivable

The Credit Union grants mortgage, commercial, and consumer loans to members. The ability of the members to honor their contract is dependent upon the real estate market and general economic conditions. In addition, the Credit Union has purchased commercial loan participations. The originating lender performs all servicing functions on these loans.

Loans that the Credit Union has the intent and ability to hold for the foreseeable future or until maturity or payoff are reported at principal balance outstanding, net of an allowance for loan losses and net deferred loan origination fees and costs. Interest income on loans is recognized over the term of the loan and is calculated using the simple-interest method on principal amounts outstanding.

Interest income is not reported when full loan repayment is in doubt, typically when the loan is impaired or payments are past due ninety days or more. All interest accrued but not received for loans placed on nonaccrual is reversed against interest income. Interest received on such loans is accounted for on the cash basis or cost-recovery method, until qualifying for return to accrual. Loans are returned to accrual status when all the principal and interest amounts are satisfied to where the loan is less than ninety days past due and future payments are reasonably assured.

Consumer and non real estate secured commercial loans are typically charged off no later than 180 days past due. Residential and commercial real estate loans are evaluated for charge-off on a case-by-case basis and are typically charged-off at the time of foreclosure. Past-due status is based on the contractual terms of the loans. In all cases, loans are placed on nonaccrual status or charged-off at an earlier date if the collection of principal and interest is considered doubtful.

### Deferred Loan Fees and Costs

Loan origination fees and costs are deferred and amortized over the estimated life of the loan using a method that approximates the interest method. Deferred fees and costs are recognized as an adjustment to interest income on loans over the average life of the related loan.

### Allowance for Loan Losses

The allowance for loan losses is a valuation allowance for probable incurred credit losses, increased by the provision for loan losses and decreased by charge-offs less recoveries. Management estimates the required allowance for loan losses balance using past loan loss experience, known and inherent risks in the nature and volume of the portfolio, information about specific borrower situations and estimated collateral values, economic conditions, and other factors. Allocations of the allowance for loan losses may be made for specific loans, but the entire allowance is available for any loan that, in Management's judgment, should be charged-off. Loan losses are charged against the allowance for loan losses when Management believes the uncollectibility of a loan balance is confirmed.

The allowance for loan losses consists of specific and general components. The specific component relates to loans that are individually classified as impaired or loans otherwise classified as substandard or doubtful. The general component covers non-classified loans and is based on historical loss experience adjusted for current factors.

Due to the nature of uncertainties related to any estimation process, Management's estimate of loan losses inherent in the loan portfolio may change in the near term. However, the amount of the change that is reasonably possible cannot be estimated. In addition, the Credit Union's regulator, as an integral part of its examination process, periodically reviews the Credit Union's allowance for loan losses. The regulator may require the Credit Union to adjust the allowance for loan losses based on their judgments of information available to them at the time of their examination.

A loan is considered impaired when, based on current information and events, full payment under the loan terms is not expected. Impairment is generally evaluated in total for smaller-balance loans of similar nature such as residential mortgage, consumer, and credit card loans, but may be evaluated on an individual loan basis if deemed necessary. If a loan is impaired, a portion of the allowance is allocated so that the loan is reported, net, at the present value of estimated future cash flows using the loan's existing rate or at the fair value of collateral if repayment is expected solely from the collateral. The Credit Union's policy for repossessing collateral is that when all other collection efforts have been exhausted, the Credit Union enforces its first lien holder status and repossesses the collateral. The Credit Union has full and complete access to repossessed collateral. Repossessed collateral normally consists of vehicles and residential real estate.

#### Premises and Equipment

Land is carried at cost. Buildings and furniture and equipment are carried at cost, less accumulated depreciation. Buildings, furniture, and equipment are depreciated using the straight-line method over the estimated useful lives of the assets. Maintenance and repairs are expensed, and major improvements and renovations are capitalized. Management reviews premises and equipment for impairment whenever events or changes in circumstances indicate that the carrying value may not be recoverable. Gains and losses on disposals are included in current operations.

### Assets Acquired in Liquidation

Assets acquired in liquidation in lieu of loan foreclosure are initially recorded at the lower of the Credit Union's carrying amount or fair value less estimated selling cost at the date of foreclosure. Any write-downs based on the asset's fair value at the date of acquisition are charged to the allowance for loan losses. After foreclosure, property held for sale is carried at the lower of the new cost basis or fair value less cost to sell. Impairment losses on property to be held and used are measured as the amount by which the carrying amount of a property exceeds its fair value. Costs of significant property improvements are capitalized, whereas costs relating to holding property are expensed. The portion of interest costs relating to development of real estate is capitalized. Valuations are periodically performed by Management, and any subsequent write-downs are recorded as a charge to operations, if necessary, to reduce the carrying value of a property to the lower of its cost or fair value less cost to sell.

The Credit Union has approximately \$56,000 and \$100,000 in foreclosed residential real estate property held for sale as of December 31, 2021 and 2020, respectively. In addition, the Credit Union has approximately \$279,000 and \$189,000 in loans collateralized by residential real estate in the process of foreclosure as of December 31, 2021 and 2020, respectively.

### **NCUSIF Deposit**

The deposit in the National Credit Union Share Insurance Fund (NCUSIF) is in accordance with National Credit Union Administration (NCUA) regulations, which require the maintenance of a deposit by each insured credit union in an amount equal to one percent of its insurable shares. The deposit would be refunded to the Credit Union if its insurance coverage is terminated, it converts to insurance coverage from another source, or the operations of the fund are transferred from the NCUA Board.

#### Share and Savings Accounts

Shares include savings deposit accounts of the owners of the Credit Union. Share ownership entitles the members to vote in annual elections of the Board of Directors and on other corporate matters. Irrespective of the amount of shares owned, no member has more than one vote. Shares and savings accounts are subordinated to all other liabilities of the Credit Union upon liquidation. Dividends on share and savings accounts, except for interest on certificates of deposit which is set in advance, is based on available earnings at the end of a dividend period and are not guaranteed by the Credit Union. Dividend rates on share and savings accounts are set by the Board of Directors, based on an evaluation of current and future market conditions.

### Regular Reserve

The Credit Union is required by regulation to maintain a statutory reserve, "regular reserve." The regular reserve, which represents a regulatory restriction of undivided earnings, is not available for the payment of dividends to members.

### **Equity Acquired in Mergers**

Equity acquired in a mergers represents equity accounted for in accordance with the acquisition method of accounting. Under this accounting method regular reserves and undivided earnings, of the acquiree are combined on the acquirer's statement of financial condition as a component of equity called merged equity. This component of equity is considered part of net worth as defined by regulations established by the National Credit Union Administration.

#### Federal and State Tax Exemption

The Credit Union is exempt from most federal, state, and local taxes under the provisions of the Internal Revenue Code and state tax laws. However, the Credit Union is subject to unrelated business income tax. The Income Taxes Topic of the FASB ASC clarifies accounting for uncertainty in income taxes reported in the financial statements. The interpretation provides criteria for assessment of individual tax positions and a process for recognition and measurement of uncertain tax positions. Tax positions are evaluated on whether they meet the "more likely than not" standard for sustainability on examination by tax authorities. Management has determined there are no material uncertain tax positions. However, the Credit Union is subject to unrelated business income tax.

The Credit Union wholly owns the consolidated CUSO. The income from the CUSO is subject to federal and state income taxes.

### Comprehensive Income

Accounting principles generally require that recognized revenue, expenses, gains, and losses be included in net income. Certain changes in assets and liabilities, such as unrealized gains and losses on available-for-sale securities, are reported as a separate component of the members' equity section of the statements of financial condition.

### **Advertising Costs**

Advertising costs are expensed as incurred.

#### Fair Value Measurements

The Credit Union categorizes its assets and liabilities measured at fair value into a three-level hierarchy based on the priority of the inputs to the valuation technique used to determine fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used in the determination of the fair value measurement fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement. Assets and liabilities valued at fair value are categorized based on the inputs to the valuation techniques as follows:

### Level 1 Inputs

Level 1 - Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Credit Union has the ability to access at the measurement date.

### Level 2 Inputs

Level 2 - Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

### Level 3 Inputs

Level 3 - Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

Subsequent to initial recognition, the Credit Union may remeasure the carrying value of assets and liabilities measured on a nonrecurring basis to fair value. Adjustments to fair value usually result when certain assets are impaired. Such assets are written down from their carrying amounts to their fair value.

#### Subsequent Events

In preparing these financial statements, the Credit Union evaluated events and transactions for potential recognition or disclosure through March 21, 2022, the date on which the financial statements were available to be issued.

#### Reclassifications

Certain 2020 financial statement amounts have been reclassified to conform with classifications adopted in the current year. This reclassification did not have any change on net income or members' equity.

#### New Accounting Pronouncements

### Accounting Standards Update (ASU) 2016-13, "Financial Instruments-Credit Losses," (Topic 326)

This ASU requires an approach based on expected losses to estimate credit losses on certain types of financial instruments. It also modifies the impairment model for available-for-sale (AFS) debt securities and provides a simplified accounting model for purchased financial assets with credit deterioration since their origination.

The ASU requires credit unions to measure impairment on their existing loan portfolios on the basis of the current estimate of contractual cash flows not expected to be collected. The estimate of expected credit losses is based on relevant information about past events, including historical loss experience with similar assets, current conditions, and reasonable supportable forecasts that affect the expected collectability of the assets' remaining contractual cash flows. This new model is called the Current Expected Credit Loss (CECL) model.

The transition to the CECL model will bring with it significantly greater data requirements and demand a more complex methodology to accurately account for expected losses under the new parameters. The transition will also require a significant increase in the allowance for loan and lease losses (ALLL) account balance. FASB has allowed for this one-time increase in the ALLL to come directly from undivided earnings, rather than reflected through the provision for loan losses expense account. The increase, or the adjustment to the ALLL, will reduce net worth, however it does spare a negative impact to the income statement. This ASU applies to all financial assets that are not accounted for at fair value and are exposed to potential credit risk.

The implementation date for "private" companies, which includes credit unions, is for fiscal years beginning after December 15, 2022. Early application of the standard is permitted for fiscal years beginning after December 15, 2018. Since all credit unions' fiscal year end is December 31st due to regulatory reporting, the first date to implement is January 1, 2023.

### ASU No. 2016-02 "Leases," (Topic 842)

The ASU is intended to improve financial reporting about leasing transactions and affects all companies and other organizations. The ASU will require organizations that lease assets (referred to as "lessees") to recognize on the balance sheet the assets and liabilities for the rights and obligations created by those leases.

While the accounting by the lessor will remain largely unchanged from current GAAP, lessees will need to recognize a right-of-use asset and a lease liability for virtually all of their leases (other than leases that meet the definition of a short-term lease). The liability will be equal to the present value of lease payments. The asset will be based on the liability, subject to adjustment, such as for initial direct costs. For income statement purposes, the FASB retained a dual model, requiring leases to be classified as either operating or finance. Operating leases will result in straight-line expense (similar to current operating leases) while finance leases will result in a front-loaded expense pattern (similar to current capital leases). Classification will be based on criteria that are largely similar to those applied in current lease accounting, but without explicit bright lines.

The effective date for credit unions is for fiscal years beginning after December 15, 2021. Early adoption is permitted. The new standard must be adopted using a modified retrospective transition, and provides for certain practical expedients. Since all credit unions' fiscal year end is December 31st due to regulatory reporting, the first date to implement is January 1, 2022.

### **NOTE 2: INVESTMENTS**

#### Available-for-Sale

December 21 2021

Investments classified as available-for-sale securities consist of the following:

	December 31, 2021							
		Amortized Cost	Į	Gross Inrealized Gains	Ţ	Gross Unrealized Losses	Fair Value	
Federal agency mortgage backed	-							
securities	\$	135,862,303	\$	191,024	\$	(2,464,225) \$	133,589,102	
US Treasury note		2,892,054		-		(804)	2,891,250	
Total	\$	138,754,357	\$	191,024	\$	(2,465,029) \$	136,480,352	
				December	· 31,	2020		
				Gross		Gross		
		Amortized	τ	J <b>nrealized</b>	Į	<b>Inrealized</b>	Fair	
		Cost		Gains		Losses	Value	
Federal agency mortgage backed								
securities	\$	85,101,105	\$	704,285	\$	(330,192) \$	85,475,198	

Gross unrealized losses and fair value by length of time that the individual securities have been in a continuous unrealized loss position at December 31, 2021 and 2020, are as follows:

	<b>December 31, 2021</b>								
		Less than	12 m	onths		12 month	s or	or greater	
		Fair	Į	U <b>nrealized</b>		Fair	Unrealized		
		Value		Losses		Value		Losses	
Federal agency mortgage backed									
securities	\$	89,498,359	\$	(1,305,686)	\$	31,859,165	\$	(1,158,539)	
US Treasury note		2,891,250		(804)		-		-	
Total	\$	92,389,609	\$	(1,306,490)	\$	31,859,165	\$	(1,158,539)	
				December	31	, 2020			
		Less than	12 m	onths	12 months			s or greater	
		Fair	Į	U <b>nrealized</b>		Fair		Unrealized	
		Value		Losses		Value		Losses	
Federal agency mortgage backed									
securities	\$	38,764,640	\$	(288,907)	\$	10,707	\$	(41,285)	

There are a total of 49 and 17 securities with unrealized losses as of December 31, 2021 and 2020, respectively. The unrealized losses associated with these securities are considered temporary as the Credit Union has the ability to hold these securities for a period of time sufficient to allow for any anticipated recovery in fair value.

Proceeds from sales of investment securities classified as available-for-sale and gross realized gains and losses from those are as follows:

	December 31,				
	 2021			2020	
Sales proceeds	\$	-	\$	5,267,369	
Gross realized gains	\$	-	\$	43,753	
Gross realized losses	\$	-	\$	-	

The amortized cost and estimated fair value of securities by contractual maturity are shown below. Expected maturities may differ from contractual maturities because issuers may have the right to call or prepay certain obligations without call or prepayment penalties.

December 31 2021

		December 31, 2021				
		Amortized		Fair		
	Cost			Value		
5 to 10 years	\$	2,892,054	\$	2,891,250		
Mortgage-backed securities		135,862,303		133,589,102		
Total	\$	138,754,357	\$	136,480,352		

Mortgage-backed securities classified as available-for-sale represent participation interest in pools of residential mortgage loans which are guaranteed by the U.S. Government, its agencies or instrumentalities. However, the guarantee of these types of securities relates to the principal and interest payments, and not to the market value of such securities.

Mortgage-backed securities are issued by lenders, such as mortgage bankers, commercial banks, and savings and loan associations. Such securities differ from conventional debt securities, which provide for the periodic payment of interest in fixed amounts (usually semiannually) with principal payments at maturity or on specific dates. Mortgage-backed securities provide periodic payments which are, in effect, a "pass-through" of the interest and principal payments (including any prepayments) made by the individual borrowers on the pooled mortgage loans. A mortgage-backed security will mature when all the mortgages in the pool mature or are prepaid. Mortgage-backed securities do not have a fixed maturity and their expected maturities may vary when interest rates rise or fall.

### **Held-to-Maturity**

Investments classified as held-to-maturity securities consist of the following:

	<b>December 31, 2021</b>								
				Gross		Gross	_		
	Amortized		Unrealized		J	J <b>nrealized</b>	Fair		
		Cost		Gains		Losses	Value		
Certificates of deposit	\$	8,827,000	\$	895	\$	(40,586) \$	8,787,309		

		<b>December 31, 2020</b>								
		Amortized Cost		Gross Unrealized Gains		Gross				
	A					Inrealized		Fair		
						Losses	Value			
Certificates of deposit	\$	6,398,000	\$	22,340	\$	-	\$	6,420,340		

Gross unrealized losses and fair value by length of time that the individual securities have been in a continuous unrealized loss position at December 31, 2021 are as follows:

	 December 31, 2021						
	Less than 1	12 months	12 mor	nths or greater			
	 Fair	Unrealized	Fair	Unrealized			
	Value	Losses	Value	Losses			
Certificates of deposit	\$ 8,088,414	\$ (40,586)	\$	- \$ -			

There are a total of 35 debt securities with unrealized losses as of December 31, 2021. The unrealized losses associated with these securities are considered temporary as the Credit Union has the ability to hold these securities for a period of time sufficient to allow for any anticipated recovery in fair value.

The amortized cost and estimated fair value of securities by contractual maturity are shown below. Expected maturities may differ from contractual maturities because issuers may have the right to call or prepay certain obligations without call or prepayment penalties.

	December	December 31, 2021				
	Amortized	Fair				
	Cost	Value				
Within 1 year	\$ 2,931,000	2,930,319				
1 to 5 years	5,896,000	5,856,990				
Total	\$ 8,827,000	8,787,309				

### **Other Investments**

December 31,

Other investments consist of the following:

	 2021	2020
Other deposit accounts	\$ 108,521,706	\$ 128,685,398
Perpetual capital at Corporate One Federal Credit Union	1,351,069	1,351,069
Certificates of deposit	496,000	844,000
Total	\$ 110,368,775	\$ 130,880,467

Perpetual contributed capital is not subject to share insurance covered by the National Credit Union Share Insurance Fund or any other deposit insurer. The perpetual contributed capital is redeemable only at the option of corporate credit union provided regulatory approval is obtained. Perpetual contributed capital cannot be pledged against borrowings, has no scheduled maturity, and offers non-cumulative dividends.

### NOTE 3: LOANS RECEIVABLE AND ALLOWANCE FOR LOAN LOSSES

### Loans Receivable

Loans receivable consist of the following:	December 31,				
	2021	2020			
Residential first mortgage real estate	\$ 314,474,413 \$	267,330,964			
Residential second mortgage real estate	82,924,518	79,402,446			
Consumer secured	428,407,373	384,804,238			
Consumer unsecured	54,589,183	58,700,306			
Commercial real estate	141,933,980	140,456,250			
Other commercial	1,981,664	2,639,118			
	1,024,311,131	933,333,322			
Allowance for loan losses	(3,500,000)	(5,874,000)			
Loans receivable, net	\$1,020,811,131 \$	927,459,322			

Included in the amounts above are approximately \$2,528,000 and \$2,214,000 of deferred loan origination fees/costs as of December 31, 2021 and 2020, respectively. Also, included in the amounts above are approximately \$62,000 and \$93,000 of premiums/discounts on loans acquired as of December 31, 2021 and 2020, respectively.

### Allowance for Loan Losses Account

The following summarizes the activity in the allowance for loan losses account:

	For the year ending December 31, 2021									
		Commercial	<b>Real Estate</b>		Consumer			Total		
Allowance for loan losses:										
Beginning balance	\$	657,603	\$	336,967	\$	4,879,430	\$	5,874,000		
Provision for loan losses		(9,449)		(323,408)		(454,407)		(787,264)

Total allowance for loan losses	\$	657,603	\$	336,967	\$	4,879,430	\$	5,874,000		

### **Impaired Loans**

The Credit Union considers loans impaired when, based on current information, it is probable that the Credit Union will not collect all principal and interest payments according to contractual terms. Loans are evaluated for impairment in accordance with the Credit Union's portfolio monitoring and ongoing risk assessment procedures. Management considers the financial condition of the borrower, cash flow of the borrower, payment status of the loan, and the value of the collateral, if any, securing the loan. Generally, impaired loans do not include large groups of smaller balance homogenous loans such as residential real estate and consumer type loans which are evaluated collectively for impairment and are generally placed on nonaccrual status when the loan becomes 90 days past due as to principal or interest. Loans specifically reviewed for impairment are not considered impaired during periods of "minimal delay" in payment (90 days or less) provided eventual collection of all amounts due is expected. The impairment of a loan is measured based on the present value of expected future cash flows, discounted at the loan's effective interest rate, or the fair value of the collateral if repayment is expected to be provided solely by the collateral. In appropriate circumstances, interest income on impaired loans may be recognized on a cash basis.

The following table includes the unpaid principal balances for impaired financing receivables with the associated allowance amount, if applicable. Also presented is the average ending principal balance of the impaired loans and the related allowance recognized during the time the loans were impaired.

	 <b>As of December 31, 2021</b>							
	 Unpaid				Average			
	Principal		Related	En	ding Principal			
	Balance		Allowance		Balance			
With a related allowance recorded:

Total	\$	929,496,878	\$	1,200,707	\$	2,635,737	\$	933,333,322			

The accrual of interest income on loans, is discontinued at the time the loan is ninety days past due or when the collection of interest or principal becomes uncertain, unless the credit is well-secured and in the process of collection. Loans on which the accrual of interest has been discontinued approximated \$1,756,000 and \$2,636,000 as of December 31, 2021 and 2020, respectively. There were no loans ninety days or more past due and still accruing interest as of December 31, 2021 or 2020.

### Credit Quality

Loans are assessed for credit quality based on the contractual aging status of the loan and payment activity. Such assessment is completed at the end of each audit period.

**Performing** 

As of December 31, 2021

**Nonperforming** 

**Total** 

The following is a summary of loans based on credit quality:

Residential first mortgage real estate	\$ 313,723,768	\$	750,645	\$	314,474,413
Residential second mortgage real estate	82,806,934		117,584		82,924,518
Consumer secured	427,717,211		690,162		428,407,373

Residential second mortgage real estate Consumer secured	Performing \$ 266,185,074		1,145,890 305,358 957,149	\$	267,330,964 79,402,446 384,804,238
Residential second mortgage real estate Consumer secured Consumer unsecured	Performing \$ 266,185,074		1,145,890 305,358 957,149	\$	267,330,964 79,402,446 384,804,238 58,700,306

Internally assigned loan grades are defined as follows:

**Performing** - A performing loan's primary source of loan repayment is satisfactory, with secondary sources very likely to be realized if necessary.

**Nonperforming** - A loan classified as nonperforming is considered potentially uncollectible with a likelihood of charge-off. This classification does not mean that the loan has absolutely no recovery or salvage value, but rather it means that charge-off is likely in the near future.

### Troubled Debt Restructurings (TDR)

In situations where, for economic or legal reasons related to a member's financial difficulties, the Credit Union grants a concession for other than an insignificant period of time to the member that the Credit Union would not otherwise consider, the related loan is classified as a TDR. The Credit Union strives to identify members in financial difficulty early and work with them to modify to more affordable terms before their loan reaches nonaccrual status. These modified terms may include interest rate reductions, principal forgiveness, payment forbearance and other actions intended to minimize the economic loss and to avoid foreclosure or repossession of the collateral. In cases where the Credit Union grants the member new terms deemed to be a concession, the Credit Union measures any impairment on the restructuring using the methodology for individually impaired loans. Loans classified as TDRs are reported as impaired loans.

The following is a summary of information pertaining to troubled debt restructurings that occurred during the audit periods:

illous.	Fo	r th	e year ending l	December 31, 20	21	
	Troubled Debt 1	Rest	tructurings	Troubled Debt That Subseque		0
	Number of Loans	N	Post- Iodification Balance	Number of Loans		Balance
Residential real estate	2	\$	20,815	Eouns -	\$	- Dulance
Consumer	19	Ψ	188,314	_	Ψ	_
Commercial	-		-	_		_
	21	\$	209,129	-	\$	-
	For	r th	e year ending l	December 31, 20	20	
	Troubled Debt 1	Rest	tructurings	Troubled Debt That Subseque		U
			Post-			_

Commercial	2		1,673,283	_		
		\$		10	\$	42,620

The pre-modification and post-modification balances for troubled debt restructurings are generally the same.

### **NOTE 4: PREMISES AND EQUIPMENT**

Premises and equipment consist of the following:

	December 31,		
		2021	2020
Land	\$	3,007,339 \$	3,007,339
Buildings		33,091,042	32,140,033
Furniture and equipment		15,204,131	14,082,297
Construction in process		82,252	1,227
		51,384,764	49,230,896
Less accumulated depreciation		(28,654,686)	(26,100,133)
Premises and equipment, net	\$	22,730,078 \$	23,130,763

### **NOTE 5: SHARE AND SAVINGS ACCOUNTS**

Share and savings accounts consist of the following:

December 31,		
2021	2020	
\$ 247,622,349	\$ 213,306,353	
267,453,673	234,694,062	
526,988,869	428,918,198	
136,895,671	186,565,814	
\$1,178,960,562	\$ 1,063,484,427	
	<b>2021</b> \$ 247,622,349 267,453,673 526,988,869 136,895,671	

The aggregate amount of certificate accounts in denominations of \$250,000 or more were approximately \$4,194,000 and \$7,875,000 as of December 31, 2021 and 2020, respectively.

The aggregate amount of share and saving accounts maintaining a negative balance that were reclassed to loans receivable were approximately \$333,000 and \$262,000 as of December 31, 2021 and 2020, respectively.

As of December 31, 2021, scheduled maturities of certificate accounts are as follows:

Year Ending December 31,	Amount
2022	\$ 93,473,193
2023	32,497,379
2024	5,029,295
2025	2,131,757
2026	3,764,047
Total	\$ 136,895,671

The National Credit Union Share Insurance Fund insures members' shares up to \$250,000. This includes all account types, such as savings, checking, money market, and certificates of deposit. Individual Retirement Account coverage is an additional \$250,000.

### SEVEN SEVENTEEN CREDIT UNION, INC.

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### **NOTE 6: EMPLOYEE BENEFITS**

### 401(k) Plan

The Credit Union has a qualified, contributory 401(k) plan (Plan) covering substantially all full-time employees. The Plan allows employees to defer a portion of their salary into the Plan. The Credit Union matches a portion of employees' wage reductions. Plan costs are accrued and funded on a current basis. The Credit Union contributed approximately \$2,986,000 and \$2,883,000 for the years ended December 31, 2021 and 2020, respectively.

### **Deferred Compensation Plan**

The Credit Union maintains non-qualified pension plans for a select group of Management. Participants are eligible based on approval by the Credit Union's Board of Directors. Under this plan, participants defer a portion of their compensation. The deferred compensation accounts are shown as both assets and liabilities on the Credit Union's financial statements and are available to creditors in the event of the Credit Union's liquidation. The balance of the plan approximated \$332,000 and \$334,000 as of December 31, 2021 and 2020, respectively.

### Split Dollar Life Insurance

The Credit Union provides certain individuals with a supplemental executive retirement plan (Plan). The Plan is being funded via life insurance policies and split dollar loan agreements have been entered into with the participants of the executives covered under the Plan. As part of the split dollar loan agreements, the executives have assigned the policies to the Credit Union as collateral. This assignment secures repayment of any advances and accrued interest for the policy premiums and any other advances under any agreement. The loans have a fixed interest rate, with interest accrued monthly and capitalized as part of the total loan balance annually. Total split dollar loans and accrued interest approximated \$26,990,000 and \$26,721,000 as of December 31, 2021 and 2020, respectively.

### Credit Union Owned Life Insurance (COLI)

The Credit Union has Credit Union Owned Life Insurance (COLI) policies that are maintained to provide income to offset the cost of employee benefits. The balance of the COLI policies were approximately \$10,765,000 and \$10,124,000 as of December 31, 2021 and 2020, respectively.

### NOTE 7: COMMITMENTS AND CONTINGENT LIABILITIES

The Credit Union has entered into various leasing agreements. The minimum remaining non-cancelable lease obligations are approximately the following as of December 31, 2021:

Year Ending December 31,	Amount
2022	\$ 114,000
2023	114,000
2024	114,000
2025	114,000
2026	61,000
2027 and after	15,000
Total	\$ 532,000

Total rental expenses approximated \$111,000 and \$102,000 for the years ended December 31, 2021 and 2020, respectively.

### Legal Contingencies

The Credit Union is a party to various miscellaneous legal actions normally associated with financial institutions, the aggregate of which, in Management's opinion, would not be material to the Credit Union's financial condition.

### Off-Balance-Sheet Risk

The Credit Union is a party to conditional commitments to lend funds in the normal course of business to meet the financing needs of its members. These commitments represent financial instruments to extend credit which include lines of credit, credit cards, and home equity lines that involve, to varying degrees, elements of credit and interest rate risk in excess of the amount recognized in the financial statements.

The Credit Union's exposure to credit loss is represented by the contractual notional amount of these instruments. The Credit Union uses the same credit policies in making commitments as it does for loans recorded in the financial statements.

Unfunded loan commitments under lines-of-credit are summarized as follows:

	December 31,			· 31,
	2	021		2020
Credit card	\$ 109	,046,208	\$	107,222,461
Home equity	69	,159,036		60,108,290
Overdraft protection	36	,191,464		34,271,621
Other consumer	17	,783,033		18,282,626
Commercial		912,224		2,784,714
Construction		59,724		603,729
Total	\$ 233	,151,689	\$	223,273,441

Commitments to extend credit are agreements to lend to a member as long as there is no violation of any condition established in the contract. Commitments generally have fixed expiration dates or other termination clauses and may require payment of a fee. Because many of the commitments are expected to expire without being drawn upon, the total commitment amounts do not necessarily represent future cash requirements. The Credit Union evaluates each member's credit worthiness on a case-by-case basis. The amount of collateral obtained to secure borrowing on the lines of credit is based on Management's credit evaluation of the member.

Unfunded commitments under lines-of-credit and revolving credit lines are commitments for possible future extensions of credit to existing members. These lines-of-credit are uncollateralized with the exception of home-equity loans and usually do not contain a specified maturity date and ultimately may not be drawn upon to the total extent to which the Credit Union is committed.

### Concentrations of Credit Risk

The Credit Union may be exposed to credit risk from a regional economic standpoint, since a significant concentration of its borrowers work or reside in Northeast Ohio. However, the loan portfolio is well diversified and the Credit Union does not have any significant concentrations of credit risk except unsecured loans, which by their nature increase the risk of loss compared to those loans that are collateralized. The Credit Union's policy for repossessing collateral is that when all other collection efforts have been exhausted, the Credit Union enforces its first lien holder status and repossesses the collateral. The Credit Union has full and complete access to repossessed collateral. Repossessed collateral normally consists of vehicles and residential real estate.

In addition to the above noted credit risk, the Credit Union may be exposed to credit risk as a result of the COVID-19 virus. Credit Union members may still be affected due to the increase in unemployment and/or business slow down. As a result, increases in loan delinquency and loan losses may be affected. The Credit Union is monitoring member loans affected as a result of the pandemic, and has set aside a reserve. The Credit Union has not experienced an increase in delinquency or loan losses due to the Pandemic as of the financial statement date, and will continue to monitor the membership and the loan portfolio and will either reduce or fund the allowance for loan and lease losses account for COVID through the provision for loan loss expense as additional information is obtained.

#### NOTE 8: RENTS UNDER OPERATING LEASES

The Credit Union leases office space to unrelated parties. These leases are classified as operating leases. Certain of these leases contain options to renew. The rental revenue recognized by the Credit Union was approximately \$28,000 and \$15,000 for the years ended December 31, 2021 and 2020, respectively. The rental revenue includes reimbursement for various operating costs including common area maintenance, property taxes, and parking income.

A summary of the minimum future rents under the operating leases that have remaining noncancelable lease terms in excess of one year are as follows:

	Minimum
Year Ending December 31,	<b>Future Rents</b>
2022	\$ 28,000
2023	18,000
Total	\$ 46,000

### **NOTE 9: BORROWED FUNDS**

### Corporate Line-of-Credit

As of December 31, 2021 and 2020, the Credit Union had an unused line-of-credit with Corporate One Federal Credit Union. The terms of the agreement require the pledging of all present and future loans and equipment as security for obligations under this line-of-credit agreement. The interest rate terms under this line-of-credit agreement are variable. The total line-of-credit was \$10,000,000 as of December 31, 2021 and 2020. There were no outstanding borrowings as of these dates.

#### Federal Reserve Bank

As of December 31, 2021 and 2020, the Credit Union had an line-of-credit with Federal Reserve Bank. The terms of the agreement require the pledging of qualified auto loans as security for obligations under this line-of-credit agreement. The interest rate terms under this line-of-credit agreement are variable. The total line-of-credit was approximately \$246,038,000 and \$232,953,000 as of December 31, 2021 and 2020, respectively. There were no outstanding borrowings as of these dates.

### Federal Home Loan Bank

As a member of the Federal Home Loan Bank (FHLB), and in accordance with an agreement with them, the Credit Union is required to maintain qualified collateral for advances. Qualified collateral, as defined in the FHLB Statement of Credit Policy, is free and clear of liens, pledges, and encumbrances. The Federal Home Loan Bank advances are collateralized by the FHLB stock owned by the Credit Union and a blanket lien against the Credit Union's qualified mortgage loan portfolio. Maximum borrowing capacity from the FHLB totaled approximately \$677,541,000 and \$621,604,000 as of December 31, 2021 and 2020, respectively. There were no advances outstanding as of these dates.

### **NOTE 10: CAPITAL REQUIREMENTS**

The Credit Union is subject to various regulatory capital requirements administered by the NCUA. Failure to meet minimum capital requirements can initiate certain mandatory and possibly additional discretionary actions by regulators that, if undertaken, could have a direct material effect on the Credit Union's financial statements. Under capital adequacy regulations and the regulatory framework for prompt corrective action, the Credit Union must meet specific capital regulations that involve quantitative measures of the Credit Union's assets, liabilities, and certain off-balance-sheet items as calculated under accounting standards generally accepted in the United States of America. The Credit Union's capital amounts and net worth classification are also subject to qualitative judgments by the regulators about components, risk weightings, and other factors.

Quantitative measures established by regulation to ensure capital adequacy require the Credit Union to maintain minimum amounts and ratios (set forth in the table below) of net worth to total assets. Furthermore, credit unions over \$50,000,000 in assets are also required to determine if they meet the definition of a "complex" credit union as defined by regulation. The minimum risk-based net worth ratio to be considered complex under the regulatory framework is 6.00%. If the Credit Union falls under the "complex" category, an additional Risk-Based Net Worth (RBNW) requirement may be imposed that could result in capital requirements in excess of minimum levels established for non-complex credit unions.

Key aspects of the Credit Union's minimum capital amounts and ratios are summarized as follows:

	Risk Based Net Worth Ratio				
	December 31, 2021	<b>December 31, 2020</b>			
Risk Based Net Worth Ratio	6.15%	5.75%			
Credit Union considered complex?	Yes	No			

	General Capital Requirements						
		December 31, 2021			<b>December 31, 2020</b>		
		Requirement				Requirement	
		Amount	/Ratio		Amount	/Ratio	
Amount needed to be classified as "well capitalized"	\$	97,244,737	7.00%	\$	88,145,971	7.00%	
Regulatory net worth	\$	194,249,741	13.98%	\$	177,338,952	14.09%	

### NOTE 11: RELATED PARTY TRANSACTIONS

In the normal course of business, the Credit Union extends credit to Directors, Supervisory Committee members and executive officers. The aggregate loans to related parties as of December 31, 2021 and 2020, were approximately \$180,000 and \$736,000, respectively. Shares from related parties as of December 31, 2021 and 2020, amounted to approximately \$1,414,000 and \$1,307,000, respectively.

### **NOTE 12: FAIR VALUE MEASUREMENTS**

### Recurring Basis

The Credit Union uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. For additional information on how the Credit Union measures fair value, refer to Note 1 - Significant Accounting Policies. The following tables present the balances of the assets and liabilities measured at fair value on a recurring basis:

	<b>December 31, 2021</b>					
	Total	Level 1	Level 2	Level 3		
Available-for-sale investments	\$ 136,480,352	2 \$ -	\$ 136,480,352	\$ -		
		Decembe	er 31, 2020			
	Total	Level 1	Level 2	Level 3		
Available-for-sale investments	\$ 85,475,198	٥	\$ 85,475,198	_		

### Nonrecurring Basis

Certain assets and liabilities are measured at fair value on a nonrecurring basis. These assets and liabilities are not measured at fair value on an ongoing basis; however, they are subject to fair value adjustments in certain circumstances, such as there is evidence of impairment or a change in the amount of previously recognized impairment. The following tables present the balances of the assets and liabilities measured at fair value on a nonrecurring basis:

	December 31, 2021							
		Total	Level 1		Level 2		Level 3	
Assets acquired in liquidation	\$	55,800 \$		- \$	55,800	\$		-
			Decen	nber 31	, 2020			
		Total	Level 1		Level 2		Level 3	

**Available-for-Sale Securities:** Fair values for securities are based on quoted market prices, where available. If quoted market prices are not available, fair values are based on quoted market prices of comparable instruments, or on discounted cash flow models based on the expected payment characteristics of the underlying instruments.

Assets Acquired in Liquidation: Fair value is measured based on the appraised value of the collateral. Collateral may be real estate, vehicles and/or business assets including equipment, inventory and/or accounts receivable and is determined based on appraisals by qualified licensed appraisers hired by the Credit Union. Appraised and reported values may be discounted based on management's historical knowledge, changes in market conditions from the time of valuation, and/or management's expertise and knowledge of the member and member's business.

#### **NOTE 13: REVENUE RECOGNITION**

Revenue is recorded when earned, which is generally over the period services are provided and no contingencies exist. The following summarizes the Credit Union's revenue recognition policies as they relate to certain noninterest income line items in the Consolidated Statement of Income.

#### Card Income

Card income includes fees such as interchange, cash advance, annual, late, over-limit and other miscellaneous fees. Uncollected fees are included in customer card receivables balances with an amount recorded in the allowance for loan and lease losses for estimated uncollectible card receivables. Uncollected fees are generally written off when a card receivable reaches 180 days past due.

### Service Charges

Service charges include fees for insufficient funds, overdrafts and other banking services. Uncollected fees are included in outstanding loan balances with an amount recorded for estimated uncollectible service fees receivable. Uncollected fees are generally written off when a fee receivable reaches 60 days past due. Investment and brokerage services revenue consists primarily of asset management fees and brokerage income.

#### Other Non-Interest Income

Other non-interest income includes income from various sources. The amounts from these various sources are not significant revenue source and excluded from the scope of FASB's revenue guidance.

#### Investment and Insurance Commission

Investment and insurance commission income includes commissions the Credit Union earns on insurance products sold to Credit Union members by third parties.

### Loan Origination and Servicing Income

Servicing fee income is recorded for fees earned for servicing loans. The fees are based on a contractual percentage of the outstanding principal; or a fixed amount per loan and are recorded as income when earned.

# INDEPENDENT AUDITOR'S COMMUNICATION

Cecil D. Maynard, CPA, MPA, CFE, FCPA, CFF Christopher J. Vallez, CPA, MBA Jennifer N. Hoskins, CPA, MPA, CAMS Ellen E. Vargo, CPA, CFE, FCPA Lynn M. Franzosa, CPA, MACC, NCCO

Supervisory Committee Seven Seventeen Credit Union, Inc. Warren, Ohio

### COMMUNICATING MATTERS RELATED TO A CREDIT UNION'S INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements of Seven Seventeen Credit Union, Inc. (the "Credit Union") as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered the Credit Union's internal control over financial reporting (internal control) as a basis for designing our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Seven Seventeen Credit Union, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Seven Seventeen Credit Union, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow Management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Credit Union's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph and would not necessarily identify all deficiencies in internal control that might be a material weakness. Given these limitations, during our audit, we did <u>not</u> identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of Management, the Board of Directors, Supervisory Committee, and the Regulators, and is not intended to be, and should not be, used by anyone other than these specific parties.

The accounting principles and auditing standards referred to throughout this report and used to conduct our audit are those principles and standards generally accepted in the United States of America and promulgated by the American Institute of Certified Public Accountants.

Supervisory Committee Seven Seventeen Credit Union, Inc. Warren, Ohio

### MATTERS REQUIRED TO BE COMMUNICATED TO THE SUPERVISORY COMMITTEE

As part of our responsibility under accounting pronouncements, certain matters are required to be communicated by the CPA Firm to those charged with governance. We are responsible for communicating significant matters related to the financial statement audit that are, in the auditor's professional judgment, relevant to the responsibilities of those charged with governance in overseeing the financial reporting process. In addition, we are responsible for determining the overall audit strategy and the audit plan including the nature, timing, and extent of procedures necessary to obtain sufficient appropriate audit evidence. The following summarizes those matters required to be communicated to the Supervisory Committee.

### Our Responsibility under U. S. Generally Accepted Auditing Standards

As stated in our engagement letter, our responsibility, as described by professional standards, is to plan and perform our audit to obtain reasonable, but not absolute, assurance that the financial statements prepared by Management are free of material misstatement and are fairly presented in accordance with generally accepted accounting principles in the United States of America. Because an audit is designed to provide reasonable, but not absolute, assurance and because we did not perform a detailed examination of all transactions, there is a risk that material errors, fraud, or other illegal acts may exist and not be detected by us.

As part of our audit, we considered the internal controls of the Credit Union. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal controls.

#### Independence

Generally accepted auditing standards require independence for all audits. Relevant matters to consider in reaching a conclusion about independence include circumstances or relationships that create threats to auditor independence and the related safeguards that have been applied to eliminate those threats or reduce them to an acceptable level.

It is the policy of our firm that all Associates be familiar with and adhere to the independence, integrity, and objectivity policies of the firm. In this regard, any transaction, financial interest, event, circumstance, or action that would impair the firm's independence is prohibited. We are familiar with the AICPA's Code of Professional Conduct and subsequent auditing standards, and their interpretations and rulings which require that we are independent in fact and in appearance. All of our Associates are required to sign an Independence Representation Form when hired and annually thereafter. In addition, we inform all Associates on an ongoing basis whenever a new client engages our services in order that our Associates can review their independence with the new client at that time. Any conflicts must be reported to the Quality Control Director. For the period covered by the attached audited financial statements, all of our Associates involved in this engagement are independent of your Credit Union.

-For Internal Use Only-C-1 Supervisory Committee Seven Seventeen Credit Union, Inc.

In accordance with our professional standards for this engagement, it is required that *all* Associates of Nearman, Maynard, Vallez, CPAs, P.A. who were involved in this engagement, are *independent* and no conflict of interest exists between our Associates and the Credit Union, its staff, and any of its representatives, and we have not assumed any management responsibilities. All Associates of Nearman, Maynard, Vallez, CPAs, P.A. were independent in fact and appearance with this engagement and no conflict of interest exists.

It is the responsibility of Management to make all management decisions and perform all management functions with the information provided to them as a result of this engagement and designate a competent individual to oversee the services preferably within senior management, who possesses suitable skill, knowledge, and/or experience to oversee any financial statement preparation services, bookkeeping services, tax services, or other services Nearman, Maynard, Vallez, CPAs, P.A. provides. Management should assess and be satisfied that such an individual understands the services to be performed, the scope, risk, and frequencies of activities which is sufficient to oversee them. These management decisions and functions include, but are not limited to, accepting responsibility for the implementation of and/or the decision to implement the results of the services performed and to evaluate the adequacy of procedures performed and the findings resulting from the performance of those procedures. They also conduct ongoing monitoring activities. It is also part of Management's responsibility for designing, implementing, and maintaining the process of internal controls and to monitor those internal controls to assess the quality of their performance over time. Monitoring activities are procedures performed to assess whether components of internal control are present and functioning. Monitoring can be accomplished through ongoing evaluations, or separate evaluations, or some combination of the two. Ongoing evaluations are generally defined, routine operations built into the Credit Union's business processes and performed on a real-time basis. Ongoing evaluations, including managerial activities and everyday supervision of employees, monitor the presence and functioning of the components of internal control in the ordinary course of managing the business.

### Significant Accounting Policies

Management has the responsibility for selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we have advised Management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Credit Union are described in Note 1 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the audit year. We noted no transactions entered into by the Credit Union during the year that were both significant and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus.

### Management Judgments and Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by Management and are based on Management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We have evaluated and considered Management's judgments and accounting estimates as part of our audit procedures.

### Significant Audit Adjustments

For purposes of this letter, the professional standards define a significant audit adjustment as a proposed correction of the financial statements that, in our judgment, may not have been detected except through our auditing procedures. These adjustments may include those proposed by us but not recorded by the Credit Union that could potentially cause future financial statements to be materially misstated, even though we have concluded that such adjustments are not material to the current financial statements. We proposed no audit adjustments that could, in our judgment, either individually or in the aggregate, have a significant effect on the Credit Union's financial reporting process.

Supervisory Committee Seven Seventeen Credit Union, Inc.

### Significant Unusual Transactions

For purposes of this letter, the professional standards define a significant unusual transaction as those that are outside the normal course of business for the entity or that otherwise appear to be unusual due to their timing, size, or nature. To our knowledge, there were no such transactions.

#### **Uncorrected Misstatements**

Our audit procedures are designed to accumulate all known and likely misstatements identified during the audit. There is a possibility that immaterial misstatements, considered to us to be trivial, may have been identified during the audit. In addition, these uncorrected misstatements, could potentially cause future-period financial statements to be materially misstated. Any such immaterial misstatements would have been discussed with Management at the conclusion of the audit.

### Disagreements with Management

For purposes of this letter, professional standards define a disagreement with Management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### Consultations with Other Independent Accountants

In some cases, Management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Credit Union's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### Issues Discussed Prior to Retention of Independent Auditors

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with Management each year prior to retention as the Credit Union's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

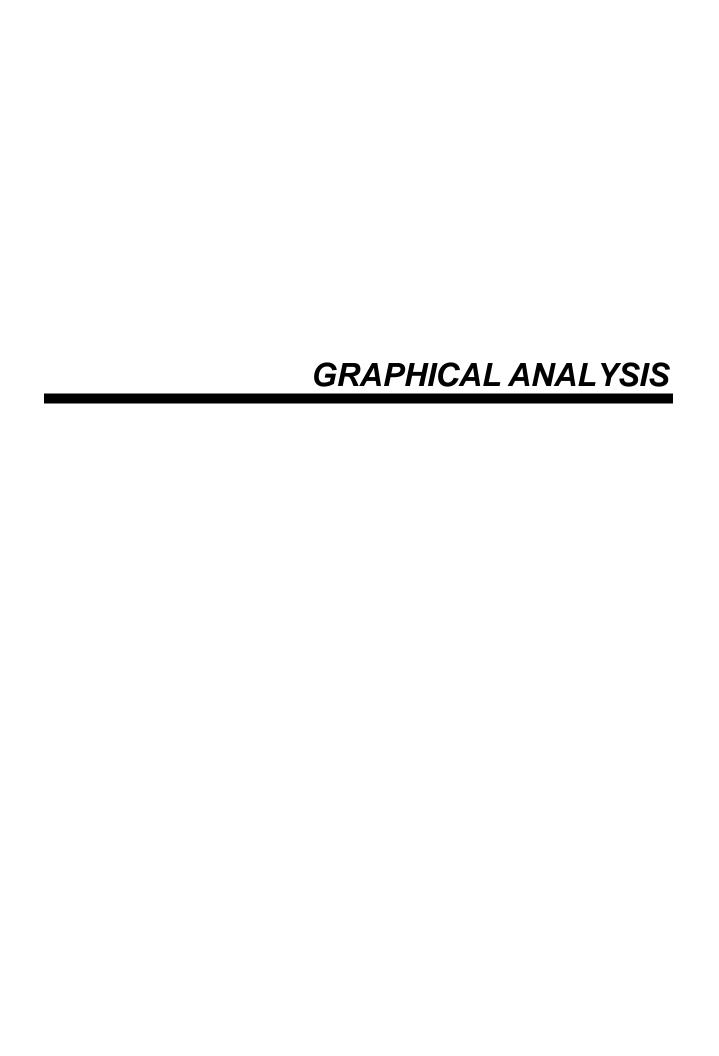

#### Difficulties Encountered in Performing the Audit

Serious difficulties encountered in dealing with Management that relate to the performance of the audit are required to be brought to the attention of the Supervisory Committee. We encountered no difficulties in dealing with Management in performing our audit.

We appreciate this opportunity to be of service to Seven Seventeen Credit Union, Inc. and wish to express our appreciation for the cooperation and assistance we received from Management and the entire Credit Union staff during our audit. If we can be of any further assistance, please contact us.

### INDEPENDENT AUDITOR'S REPORT ON THE **GRAPHICAL ANALYSIS**

We have audited the financial statements of Seven Seventeen Credit Union, Inc. as of and for the year ended December 31, 2021 and our report thereon dated March 21, 2022, which expressed an unmodified opinion on those financial statements, appears on page A-1. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The graphical analysis, which is the responsibility of Management, is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audits of the financial statements, and accordingly, we do not express an opinion or provide any assurance on it.
